Timely information & meaningful relationships all in 48 hours, and at no cost to you or your municipality

IT'S NOT A TRADE SHOW... NOT EVEN CLOSE

Establish new relationships and learn more in 48 hours than you ever thought was possible! The Public Works Summit is two days of uniquely structured boardroom case studies, interactive roundtable sessions and social functions, unlike anything you've ever experienced. Get introduced to dozens of others responsible for their operations and senior representatives from the vendor community who will share their TED-like case studies on how they're approaching public works issues in the US, Canada and around the world. You will return to your municipality energized and full of new ideas! Best of all, there's no cost to you or your organization to participate.

A private grant covers all travel, hotel, meal and conference costs.

"The diversity of Directors/Assistant Directors in attendance was impressive. In talking with my peers, learning that most agencies are experiencing the same types of issues, no matter the size of the agency."

- Christina Turner-Noteware, City of Dallas

WHO'S ELIGIBLE TO HAVE ALL COSTS COVERED?

To be eligible, you must direct or manage a public works department serving a population of 25,000 or higher. Your title should be Director or above. Most important, you should have decision-making authority or specific input into the products and services your municipality purchases. You should also have challenges that you're interested in sharing, a willingness to help others and a desire to learn about products or services that can help you in the next 6 to 18 months.

ONLY 50 DIRECTORS CAN PARTICIPATE. APPLY TODAY!

BRINGING PEOPLE TOGETHER TO HELP EACH OTHER

The Public Works Summit is unique. We know there's no better way to share information and think through opportunities than by spending structured time with others who do exactly what you do. Get insights on an immediate issue, learn what's working for them and what's not, and gain a colleague you can call in confidence.
